leadership, inclusion and independence.

Moody's is an essential component of the global capital markets, providing credit ratings, research, tools and analysis that contribute to transparent and integrated financial markets. Moody's Corporation (NYSE: MCO) is the parent company of Moody's Investors Service, which provides credit ratings and research covering debt instruments and securities, and Moody's Analytics, which offers leading-edge software, advisory services and research for credit and economic analysis and financial risk management. The Corporation, which reported revenue of \$2.3 billion in 2011, employs approximately 6,100 people worldwide and maintains a presence in 28 countries. Further information is available at [www.moody's.com](http://www.moody's.com).
